2. AUDIT / REVIEW OF CONSOLIDATED FINANCIAL STATEMENTS / RESULTS

a. Compliance with Mandatory SAs / SREs / GNs issued by ICAI

The audit / review of Consolidated Financial Statement / Results should be conducted in accordance with the mandatory Standards on Auditing (SA) / Standards on Review Engagements (SRE), Guidance Notes (GN), as applicable, issued by the ICAI.

The review of Consolidated Financial Statements / Results should be conducted in accordance with the Standard on Review Engagements (SRE) issued for the purpose by the ICAI, also to be read in conjunction with SA 600 and GN on CFS.

b. Procedures under SA 600, SRE 2400/2410 and GN on CFS

The Principal Auditor i.e. the auditor of the parent listed entity should plan and perform an audit to obtain sufficient and appropriate audit evidence to express an opinion on the Consolidated Financial Statements / Results. In an audit of Consolidated Financial Statements / Results, the principal auditor (as defined in SA 600) is required to perform various procedures in accordance with SA 600 and GN on CFS issued by the ICAI.

The Principal Auditor should plan and perform the review to obtain moderate assurance as to whether the Consolidated Financial Statements / Results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. In an engagement to review Consolidated Financial Statements / Results also, the Principal Auditor should comply with the requirements of SA 600, SRE 2400/2410 and GN on CFS, as may be applicable.

c. Procedure

Pursuant to (a) and (b) above, the principal auditor (that is, the Parent Company's Auditor) shall, *inter alia*, consider the following procedures, as applicable, with respect to the audit / review of the Consolidated Financial Statements/Results:

(Note: These procedures are not to be construed as being complete and comprehensive and are not a replacement or a substitute to the requirements detailed in the relevant Standards on Auditing / Standards on Review Engagements/Guidance Notes and must, therefore, not be read on a standalone basis)

(Explanatory Note: The principal auditor will determine Significant Components. Such determination should be made by the principal auditor based upon their understanding of the risks associated with the consolidated financial statements,

materiality and exercise of professional judgment. However, as a minimum, Significant Components selected by the principal auditor would represent those Components which together with the Parent Company would in the aggregate represent at least eighty percent of each of the consolidated revenue, assets and profits.)

- iii. Determine the materiality for the Consolidated Financial Statements / Results as a whole when establishing the overall Consolidated Financial Statements / Results audit / review plan as well as determine whether the component's financial statements are material to the group to determine whether they should scope in additional components, and consider using the work of other auditors (that is, the Component Auditors), as applicable.

- v. Determine the nature, timing and extent of the procedures to be performed by the principal auditor. The principal auditor shall also perform procedures to obtain sufficient appropriate audit evidence, that the work of the other auditor is adequate for the principal auditor's purposes, in the context of the specific assignment.
- vi. Design and perform audit / review procedures on the Consolidated Financial Statements / Results arising from the special considerations relating to the consolidation process.
- vii. When considered necessary by the principal auditor, he may require the other auditor to answer a detailed questionnaire regarding matters on which the principal auditor requires information for discharging his duties. The other auditor should respond to such questionnaire on a timely basis.
- viii. While the principal auditor should consider the significant findings of the other auditor, he may consider it appropriate to discuss with the other auditor and the management of the component, the audit findings or other matters affecting the financial information of the components. He may also decide that supplemental tests of the records or the financial statements of the component are necessary. Such tests may, depending upon the circumstances, be performed by the principal auditor or the other auditor.
- ix. When the principal auditor concludes that the financial information of a component is immaterial, the procedures outlined in SA 600 do not apply. When several components, immaterial in themselves, are together material in relation to the financial information of the entity as a whole, the procedures outlined in SA 600 should be considered.
- x. Obtain Management Representations including those relating to the Consolidated Financial Statements / Results.

- xi. Evaluate and consider all Reporting Considerations including those communicated by the other auditors,
- xii. Include in the audit / review documentation, the matters specified in SA 600 Para 18.

The principal auditor shall communicate its requirements to the other auditor on a timely basis. This communication shall set out the work to be performed, the use to be made of that work, and the form and content of the other auditor communication with the principal auditor.

We have reviewed the accompanying statement of unaudited financial results of (Name of the Company) for the period ended..... This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

TO THE BOARD OF DIRECTORS OF.....

Report on the audit of the Standalone Financial Results Opinion

We have audited the accompanying standalone quarterly financial results of (Name of the company) (the company) for the quarter ended(date of the quarter end) and the year to date results for the period from to, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("LODR Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the LODR Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit/loss⁸⁷ and other comprehensive income and other financial information for the quarter ended(date of the quarter end) as well as the year to date results for the period from ...to

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

[Insert Emphasis of Matter Paragraph]⁸⁸

Our opinion is not modified in respect of this matter.

⁸⁷ Whichever is applicable

⁸⁸ If applicable, based on facts and circumstances of the engagement.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended _____ and the corresponding period from _____ to _____, as reported in these financial results have been approved by the Parent's Board of Directors, but have not been subjected to review⁹¹.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities: **(indicate list of entities included in the consolidation similar to the requirement for audited consolidated results)**

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the branch auditors and other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in “Other Matter” paragraph below, is sufficient and appropriate to provide a basis for our opinion.

[Insert Emphasis of Matter Paragraph]¹⁰⁴

Our opinion is not modified in respect of this matter.

Management’s Responsibilities for the Consolidated Financial Results

These quarterly financial results as well as the year to date consolidated financial results have been prepared on the basis of the interim financial statements.

The Holding Company’s Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information of the Group including its associates and jointly controlled entities in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, ‘Interim Financial Reporting’ prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and jointly controlled entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

¹⁰⁴ If applicable, based on facts and circumstances of the engagement.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors

regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the LODR Regulations, as amended, to the extent applicable.

Other Matters

The consolidated Financial Results include the audited Financial Results of _____ subsidiaries, _____ associates and _____ jointly controlled entities, whose interim Financial Statements/Financial Results/ financial information reflect Group's share of total assets¹⁰⁵ of Rs. _____ as at _____, Group's share of total revenue of Rs. _____ and Rs. _____ and Group's share of total net profit/(loss) after tax of Rs. _____ and Rs. _____ for the quarter ended _____ and for the period from _____ to _____ respectively, as considered in the consolidated Financial Results, which have been audited by their respective independent auditors. The independent auditors' reports on interim financial statements/Financial Results/financial information of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

The consolidated Financial Results include the unaudited Financial Results of _____ subsidiaries, _____ associates and _____ jointly controlled entities, whose interim Financial Statements/Financial Results/ financial information reflect Group's share of total assets¹⁰⁶ of Rs. _____ as at _____, Group's share of total revenue of Rs. _____ and Rs. _____ and Group's share of total net profit/(loss) after tax of Rs. _____ and Rs. _____ for the quarter ended _____ and for the period from _____ to _____ respectively, as considered in the consolidated Financial Results. These unaudited interim Financial Statements/Financial Results/ financial information have been furnished to us by the Board of Directors and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, associates and jointly controlled entities is based solely on such unaudited interim Financial Statements/Financial Results/financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these interim Financial Statements/Financial Results / financial information are not material to the Group.

Exhibit B1: Format for the Limited Review Report for banks for unaudited standalone quarterly and year to date results

Review report to.....

We have reviewed the accompanying statement of unaudited financial results of ____ (Name of the Bank) for the period ended _____. This statement is the responsibility of the Bank's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

In the conduct of our Review we have relied on the review reports in respect of non-performing assets received from concurrent auditors of __ branches, inspection teams of the bank of ____ branches and other firms of auditors of __ branches specifically appointed for this purpose. These review reports cover__ percent of the advances portfolio of the bank. Apart from these review reports, in the conduct of our review, we have also relied upon various returns received from the branches of the bank.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. ("the Act")/ issued by the Institute of Chartered Accountants of India¹¹⁹. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Financial Results, and we have fulfilled our other ethical responsibilities in accordance

with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

[Insert Emphasis of Matter Paragraph]¹²⁰

Our opinion is not modified in respect of this matter.

Board of Directors' Responsibility for the Standalone Financial Results

These standalone Financial Results have been compiled from the interim standalone financial statements. The Bank's Board of Directors are responsible for the preparation of these standalone Financial Results that give a true and fair view of the net profit/loss¹²¹ and other financial information in accordance with the recognition and measurement principles laid down in Accounting Standard 25 (AS 25)/ Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" specified under section 133 of the Act/ issued by the Institute of Chartered Accountants of India¹²², the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act/Banking Regulations Act, 1949¹²³ for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Results, the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Results. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

¹²⁰ If applicable, based on facts and circumstances of the engagement.

¹²¹ As applicable.

¹²² In the case of a Bank, which is not incorporated as a Company.

¹²³As applicable.

- Identify and assess the risks of material misstatement of the standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Results, including the disclosures, and whether the standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Exhibit B3: Independent Auditor's Review Report on Review of Consolidated Unaudited Quarterly and Year to date Financial Results (for banks as per AS)

Independent Auditor's Review Report On consolidated unaudited quarterly and year to date financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

TO THE BOARD OF DIRECTORS OF

.....

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of ("the Parent"/"the Bank") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), its jointly controlled entities and its share of the net profit/ (loss) after tax of its associates for the quarter ended ___ and for the period from ___ to ___ ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended¹²⁵, except for the disclosures relating to consolidated Pillar 3 disclosure as at ___, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the Statement and have not been reviewed by us. Attention is drawn to the fact that the consolidated figures for the corresponding quarter ended and the corresponding period from to ___, as reported in these financial results have been approved by the Parent's Board of Directors, but have not been subjected to review.¹²⁶
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" ("AS 25"), prescribed under Section 133 of the Companies Act, 2013¹²⁷, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

¹²⁵ Regulations includes relevant circulars issued by SEBI from time to time.

¹²⁶ As applicable (for example, in the first financial year of a newly listed company, or when consolidated quarterly financial results are submitted for the first time pursuant to the mandatory requirement with effect from April 1, 2019, and no quarterly consolidated financial results were submitted in the previous year).

¹²⁷ In case of nationalised banks, the reference of Institute of Chartered Accountants of India be suitably specified in lieu of the reference of The Companies Act, 2013.

4. The Statement includes the results of the following entities: **(indicate list of entities included in the consolidation similar to the requirement for audited consolidated results).**
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the branch auditors and other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Accounting Standard, RBI Guidelines and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, except for the disclosures relating to consolidated Pillar 3 disclosure as at____, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the Statement and have not been reviewed by us, or that it contains any material misstatement.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. (“Act”) /issued by the Institute of Chartered Accountants of India¹⁴⁵. Our responsibilities under those Standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Results* section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Financial Results, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in “Other Matter” paragraph below, is sufficient and appropriate to provide a basis for our audit opinion.

[Insert Emphasis of Matter Paragraph]¹⁴⁶

Our opinion is not modified in respect of this matter.

Board of Directors’ Responsibility for the Consolidated Financial Results

These Consolidated Financial Results have been compiled from the audited consolidated interim financial statements/ financial information.

The Bank’s Board of Directors are responsible for the preparation and presentation of these consolidated Financial Results that give a true and fair view of the net profit/ loss¹⁴⁷ and other financial information of the Group including its associates and jointly controlled entities in accordance with the recognition and measurement principles laid down in Accounting Standard 25 (AS 25) / Indian Accounting Standard 34 (Ind AS 34) “Interim Financial Reporting” specified under section 133 of the Act / issued by the Institute of Chartered Accountants of India¹⁴⁸, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time (“RBI Guidelines”) and other accounting principles generally accepted in India and in compliance with Regulation 33 of the LODR Regulations. preparation and presentation of the consolidated Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Bank, as aforesaid.

In preparing the consolidated Financial Results, the respective Board of Directors of the entities included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated Financial Results, including the disclosures, and whether the consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entities included in the consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the LODR Regulations, as amended, to the extent applicable.

The respective Board of Directors of the entities included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control. [OR] Under Section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Financial Results, including the disclosures, and whether the consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision

and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entities included in the consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the LODR Regulations, as amended, to the extent applicable.

1.	Details of total energy consumption and energy intensity and Break-up of the total energy consumed from renewable and non-renewable sources	<ol style="list-style-type: none">1. The entity shall report the total electricity consumed, fuel consumed and energy consumed from other sources during the reporting period, as applicable. Entities may also specify the other sources, in case the same are significant.2. Under this field, the entity shall provide a break-up of electricity, fuel and other energy consumption, from renewable and non-renewable sources.3. Non-renewable energy sources are those that cannot be replenished, reproduced, grown or generated in a short time period through ecological cycles or agricultural processes. These include fuel distilled from petroleum or crude oil, such as gasoline, diesel fuel, jet fuel, and heating oil; natural gas, such as compressed natural gas (CNG), and liquefied natural gas (LNG); fuels extracted from natural gas processing and petroleum refining, such as butane, propane, and liquefied petroleum gas (LPG); coal; and nuclear power.4. Renewable energy sources are those that can be replenished in a short time through ecological cycles or agricultural processes. Renewable energy sources can include geothermal, wind, solar, hydro, and biomass. Energy can be purchased from sources external to the organization or produced by the organization itself (self-generated). If the organization generates electricity from a non-renewable or renewable fuel source and then consumes the generated electricity, the energy consumption shall be counted only once.5. The above data shall be reported in terms of Joules or multiples such as Giga Joules. Entities should consistently apply conversion factors, for converting fuel consumption into Joules, for the data disclosed. In case, different standards and methodologies are used, the same should be disclosed. Entities should also disclose any contextual information necessary to understand how the data has been compiled, such as any standards, methodologies, assumptions and/or calculation tools used.6. Energy intensity per rupee of turnover shall be calculated as the total energy consumed divided by the total turnover in rupees.

		<p>7. Apart from turnover, entities may on a voluntary basis, provide energy intensity ratio, based on other metrics, such as:</p> <ul style="list-style-type: none">• units of product;• production volume (such as metric tons, litres, or MWh);• size (such as m² floor space);• number of full-time employees

The entity shall report the total water consumption. Total water consumption is a measure of water used by an organization, that it is no longer available for use by the ecosystem or local community, such as water that has been withdrawn and incorporated into products or has evaporated or is polluted to the point of being unusable by other users, and is therefore not released back to surface water, groundwater, seawater, or a third party. It also includes water that has been stored during the reporting period for use or discharge in a subsequent reporting period. If the entity cannot directly measure its water consumption, it may calculate this using the following formula: Total water consumption = Total water withdrawal – total water discharge.</p> <p>3. It includes processes that remove, for example, heavy metals, nitrogen, and phosphorus. <p>In case an organization withdraws and discharges water of good quality that does not require treatment, the same can be explained.</p> <p>3. Entities should also disclose any contextual information necessary to understand how the data has been compiled, such as any standards, methodologies, assumptions and/or calculation tools used.</p>

GUIDANCE ON WHEN AN EVENT / INFORMATION CAN BE SAID TO HAVE OCCURRED FOR DISCLOSURES UNDER REGULATION 30 OF THE LODR REGULATIONS

1. The listed entity may be confronted with the question as to when an event/information can be said to have occurred for making disclosures under regulation 30 read with Schedule III of the LODR Regulations.
2. In certain instances, the answer to above question would depend upon the stage of discussion, negotiation or approval and in other instances where there is no such discussion, negotiation or approval required viz. in case of natural calamities, disruptions etc., the answer to the above question would depend upon the timing when the listed entity became aware of the event/information.
 - 2.1. In the former, the events/information can be said to have occurred upon receipt of approval of Board of Directors e.g. further issue of capital by rights issuance and in certain events/information after receipt of approval of both i.e. Board of Directors and Shareholders.

However, considering the price sensitivity involved, for certain events e.g. decision on declaration of dividends etc., disclosure shall be made on receipt of approval of the event by the Board of Directors, pending Shareholder's approval.

In case in-principle approval or approval to explore (which is not final approval) is given by the Board of Directors, the same shall not require disclosure under regulation 30 of the LODR Regulations.

- 2.2. In the latter, the events/information can be said to have occurred when a listed entity becomes aware of the events/information, or as soon as, an officer of the entity has, or ought to have reasonably come into possession of the information in the course of the performance of his duties.

Here, the term 'officer' shall have the same meaning as defined under the Companies Act, 2013 and shall also include promoter of the listed entity.

3. Notwithstanding the above, listed entities shall confirm, deny or clarify any reported event or information in the mainstream media in terms of regulation 30(11) of the LODR Regulations.

**GUIDANCE ON THE CRITERIA FOR DETERMINATION OF MATERIALITY OF
EVENTS / INFORMATION**

1. The criteria for determination of materiality of events / information is specified in regulation 30(4) of the LODR Regulations. One of the criteria is that the omission of an event or information, whose value or the expected impact in terms of value, exceeds the lower of the following:
 - i. two percent of turnover, as per the last audited consolidated financial statements of the listed entity;
 - ii. two percent of net worth, as per the last audited consolidated financial statements of the listed entity, except in case the arithmetic value of the net worth is negative;
 - iii. five percent of the average of absolute value of profit or loss after tax, as per the last three audited consolidated financial statements of the listed entity;

2. In respect to the above, it is clarified that the average of absolute value of profit or loss is required to be considered by disregarding the 'sign' (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for 'materiality' of the event and not for any commercial consideration. The following illustration is provided in this regard for clarity:

**Table I: Illustration for calculation of average of absolute value of
profit or loss after tax**

<i>(Amount in Rs. crore)</i>	Profit/loss after tax	Absolute value of profit/loss after tax	Average of absolute value of profit/loss after tax for the 3 years
FY 2020-21	(20)	20	(20+50+20) / 3 = 30
FY 2021-22	50	50	
FY 2022-23	(20)	20	

Further, it is clarified that in case a listed entity does not have a track record of three years of financials, say, in case of a demerged entity, the aforesaid average may be taken for the period / number of years as may be available.

FRAMEWORK FOR CONSIDERING UNAFFECTED PRICE

1. The calculation of adjusted volume weighted average price (“VWAP”) for considering unaffected price is given below:
 - 1.1. The variation in daily WAP from the day of material price movement till the end of the next trading day after confirmation of the rumour shall be attributed to the rumour and confirmation of the rumour (“WAP variation”).
 - 1.2. The adjusted daily WAP shall be calculated by excluding the WAP variation from the daily WAP in the look back period from the day of the material price movement onwards. The adjusted daily WAP from the day of material price movement till the end of the next trading day after confirmation of the rumour shall be same as the daily WAP on the trading day preceding the day of material price movement.
 - 1.3. The adjusted VWAP for the look back period shall be calculated based on the adjusted daily WAP calculated as mentioned at para 1.1 and 1.2 above, and as illustrated below.
2. Illustration for calculation of VWAP under the above proposed framework in case of preferential issue to qualified institutional buyers (QIBs) under SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 is given in the table below:

Table 1: Illustration for calculation of VWAP

07-Aug	1,208.33	1,090.20	1,08,762	Relevant Date (T) – Date of Board approval to preferential issue to QIBs

- 2.1. The variation in daily WAP (in column B) from the day of material price movement (July 27, 2023) till the end of the next trading day after confirmation of the rumour (July 31, 2023) is the VWAP variation. The WAP variation is Rs. 118.14.
- 2.2. Adjusted daily WAP (in column C) has been calculated from the day of material price movement onwards (i.e. from July 27, 2023). The adjusted daily WAP from the day of material price movement (July 27, 2023) till the end of the next trading day (July 31, 2023) after confirmation of the rumour is same as the daily WAP on the trading day preceding the day of material price movement (i.e. July 26, 2023) viz. Rs. 1060.76.
- 2.3. Adjusted daily WAP (in column C) from August 1, 2023 onwards has been calculated by subtracting the WAP variation (i.e. Rs. 118.14) from the daily WAP.

3. Method of evaluation:

As a global best practice, the method of evaluation is generally in 2 ways:

- a. Internal assessment
- b. Assessment by external experts

Internal assessment:

Internal assessment of the Board is crucial. Who should evaluate whom is provided in the Companies Act and SEBI LODR as specified above.

The internal assessment may be done by following methods:

- a. A detailed Questionnaire to be circulated to individual directors, Committees, Board, etc.
- b. Oral assessments provided by the person on interviews

If deemed fit, the questionnaire may enable written answers to be submitted on a confidential basis. If due to various reasons, members are not willing to provide written inputs, the Chairperson or any other person may take initiative and obtain views of such members on a confidential basis.

Assessment by external experts:

Use of external experts imparts an independence to the evaluation process and therefore is used by many entities globally. However, care must be taken to ensure that the external assessor is not a related party or conflicted due to closeness of the Board to ensure impartiality.

Such external assessment may be done based on questionnaires/interviews or a combination of the two and done on a regular basis. Such external assessment complements the internal assessment and adds an objective aspect to the evaluation process.

Effective use of Information Technology through use of board evaluation software, applications, etc. can also play a facilitating role.

D. Feedback

Providing feedback to the individual directors, the Board and the Committees is crucial for success of Board Evaluation. On collation of all the responses, the feedback may be provided in one or more of the following ways:

- a. Orally given by Chairman/ external assessor or any other suitable person to
 - i. Each Member separately
 - ii. To the entire Board
 - iii. To the Committees
- b. A written assessment to every member, Board and Committee

The active role of the Chairperson is desirable in providing feedback to the members. If members are not comfortable to open individual assessments, provision for confidentiality may be made where possible. For effectiveness of the evaluation, it is essential that the feedback be given honestly and without bias.

E. Action Plan

Based on the analysis of the responses, the Board may prepare an action plan on:

- Areas of improvement including training, skill building, etc. as may be required for Board members
- List of actions required detailing:
 - Nature of actions
 - Timeline
 - Person responsible for implementation
 - Resources required, etc.
- Review of the actions within a specific time period

The action plan may be prepared by the Board in a comprehensive manner. Suggestions under the external assessment, individual member feedback, etc. may be taken into account while drafting the action plan.

F. Disclosure requirements

The LODR Regulations and Companies Act requires disclosure of manner of formal annual evaluation of the Board, its committees and individual directors and of performance evaluation criteria for independent directors to the shareholders on an annual basis.

In addition, for more transparency, many entities worldwide voluntarily provide additional disclosures including the results of the Board evaluation, action taken on the basis of the evaluation, current status, etc. to various stakeholders.

G. Frequency of Board Evaluation

As per SEBI LODR and Companies Act, the Board Evaluation is required to be done once a year. The entity, if it so desires, may also conduct such evaluation more frequently. Since Board evaluation is a continuous process, it is felt that feedback provided to the members during meetings and otherwise, whether oral or written, is more effective for continuous improvement and ideally complements the annual evaluation process.

Many entities globally also complement the internal assessment with external assessment at regular intervals to impart objectivity to the process.

H. Responsibility

The responsibility of Board evaluation lies on different persons depending on the subject of evaluation as per Companies Act and SEBI LODR.

However, it is found that on a global basis, generally the primary role of steering the whole process of Board evaluation and of ensuring its effectiveness in improving the Board efficiency lies on the Chairperson. Therefore, to achieve maximum benefit of the process, the role and function of Chairperson in Board Evaluation needs to be laid out clearly in advance.

I. Review

Board evaluation is not a static process and requires periodical review for improvement. The responsibility of such review of the evaluation process lies with the Board of Directors in accordance with SEBI LODR. Such review may involve the following:

- a. Whether objectives and criteria for evaluation are adequate or needs to be changed/ updated
- b. Whether the process/method of evaluation is appropriate for individual members, Committees and the Board
- c. Whether the actions based on the Board evaluation is being followed up on a timely basis
- d. Whether the Board evaluation has enhanced effectiveness of the Board
- e. Whether the review of the process is being done on a regular basis
- f. Whether feedback of the members to improve the process is being taken into account

Such review may be done based on feedback from management, Board members, Chairperson, external assessors, various stakeholders, etc.
